STUDENT COMMENTS

I wanted to let you know I received the **official notice from FPSC** that not only did I make the **President's List**, but also that I came in **FIRST PLACE!!!** [December 2012]. I completely credit this success to having taken the Foran exam preparation class.

I passed both the **IMT** course and the **PMT** course thanks in large part to attending Foran's preparation seminars. Ron Foran focused on key concepts, terms and formulae and demonstrated a real mastery of the material. One of the most professional instructors that I have ever had. I would recommend his seminars to anyone.

George Koidis, CIM, PFP., BMO Nesbitt Burns
– Brampton, Ontario

I PASSED (PMT exam) I'm so thrilled, you can't imagine. I wanted to thank you so much for the help you provided. This is the 3rd exam prep course I took with Foran (**LLQP, CFP**) and I want to tell you that I really don't think I would have succeeded without your help. I've learned so much in your classrooms.

I've also felt that you and your team really care about your students' success. I know that for your business to succeed, that makes sense, however, I think it's more than just a business decision. I've felt that you truly have a passion for teaching and seeing us succeed.
